About Me

Date of Birth: 2006

I am Qusai Almasri, a passionate Full-Stack Developer with a strong focus on creating responsive and user-friendly web and mobile applications.

On the front end, I work with HTML, CSS, JavaScript, and modern frameworks to deliver clean and engaging designs. For back-end development, I use PHP, MySQL, and the Laravel framework to build secure and scalable systems. I also develop cross-platform mobile apps with Flutter, ensuring seamless experiences on both Android and iOS.
